WEEKLY ACCOMPLISHMENT REPORT
On-the-Job Training

Trainee:	Rivalal, Jaymar B.	Department Assigned:	Records Department
Company:	Agricultural Training Institute	Month Covered:	September To October 2026

Date	Time IN	Time OUT	Number of Hours	TASK COMPLETED	REMARKS
30/09/2026	8:00 AM	5:00 PM	8	Document Disposal & Archival Engine: Designed a record-entry system for our supervisor's comprehension test during our first day using Google Apps Script <code>if-else</code> statements to trigger disposal reminders and persistently archive remaining files automatically.	
01/10/2026	8:00 AM	5:00 PM	8	ATI Data & UI Integration: Collaborated with a BSCS intern to integrate ATI data, UI components, and key system features using Google Apps Script.	
02/10/2026	8:00 AM	5:00 PM	8	Hall & Dormitory Reservation System: Assisted in developing a reservation platform for ATI facilities, including the Function Hall, Training Hall, Mess Hall, and other venues. Implemented a status calendar showing whether a facility is Available, Reserved, Pending, or Suspended, while connecting available facilities to the booking section.	
05/10/2026	8:00 AM	5:00 PM	8	Admin and Dormitory Reservation Development: Continued improving the reservation platform by incorporating Admin and Super Admin roles for reviewing and approving hall reservation requests. Also began developing the Dormitory Reservation System for managing lodging and accommodation requests.	
06/10/2026	8:00 AM	5:00 PM	8	Reservation Process Enhancement: Improved the overall reservation workflow, from submitting booking requests to administrative approval. Further enhanced the hall reservation, dormitory reservation, and admin approval interfaces to make the process more organized and efficient.	
Total Number of Hours			40
