WEEKLY ACCOMPLISHMENT REPORT
On-the-Job Training

Student Intern:	RIVERAL, JAYMAR B.	**Department Assigned:**	RDEC (Records Department)
Company:	Agricultural Training Institute	**Month Covered:**	September to October 2026

Date	Time IN	Time OUT	Number of Hours	TASK COMPLETED	REMARKS
30/09/2026	08:00	17:00	8 hours	**Document Disposal & Archival Engine:** ● Designed an automated record-entry system using Google Apps Script during the initial onboarding assessment. ● Implemented conditional logic (`if-else` statements) to automate disposal alerts and persistently archive active records.	
01/10/2026	08:00	17:00	8 hours	**ATI Data & User-Interface Integration:** ● Collaborated with co-intern to integrate organizational data, front-end UI components, and key system features using Google Apps Script.	
02/10/2026	08:00	17:00	8 hours	**Facility Reservation System & Status Calendar:** ● Assisted in developing a centralized reservation platform for ATI venues, including the Function Hall, Training Hall, and Mess Hall. ● Implemented an interactive status calendar reflecting venue availability (*Available*, *Reserved*, *Pending*, *Suspended*) seamlessly mapped to the booking module.	
05/10/2026	08:00	17:00	8 hours	**Administrative Controls (Role-Based Access Control (RBAC) & Dormitory Module:** ● Integrated RBAC (Admin and Super Admin) to evaluate and approve venue reservation requests. ● Initiated development of the Dormitory Reservation System to manage lodging and accommodation bookings.	
06/10/2026	08:00	17:00	8 hours	**Workflow Optimization & UI Enhancement:** ● Streamlined the end-to-end booking lifecycle from user submission to administrative approval. ● Enhanced the user interfaces across hall reservation, dormitory booking, and administrative review modules to boost system efficiency and usability.	
Total Number of Hours			40 hours
